

CAMPAIGN MONITOR

Pricing and Plan Comparison

Campaign Monitor is the leading provider of professional-grade email marketing and automation software for growing businesses. With the simplicity of Campaign Monitor’s drag-and-drop tools, more than two million customers at 150,000 companies worldwide, including BuzzFeed, Chandon, Rip Curl, Topshop, Sephora, Vice Media, and Virgin use email marketing to engage their subscribers, acquire new customers, and grow the bottom line.

Campaign Monitor offers flexible pricing for businesses that scale as they grow. There are three monthly subscription plans that offer all core email marketing features and offer more sophisticated functionality in higher plans. Exact pricing is dependent on the number of subscribers in your lists and which plan you’ve chosen. In addition to the monthly plans, we offer a pay-per-campaign plan starting at \$5 + 1¢ per email recipient.
